THE SWS RANKING

1. Results uploads & ranking updates

- Morac Go Kart Track 1 Utama will establish and upload the result of each event directly on the SWS website.
- The point ranking shall be determined in accordance with the methodology set out in the SWS Regulation. All the calculations are then carried out automatically by the computer system and the rankings are put online daily on the SWS website, according to the new results uploaded by the tracks.
*Note: To be valid, it is not necessary that all the drivers participating in the event have a SWS account. In the case of an event with "non-SWS" drivers, these drivers will be included in the SWS result in order to respect the sport ranking of the event.

2. Methodology of SWS rankings

The various rankings are established by accumulating the points acquired by the drivers from 1st January 2024 to 31st December 2024. As of December 31st, the driver having accumulated the highest number of points wins the national SWS ranking (the official classification being communicated after all the tracks have put online the results of their last events of the season).

In order to offer the most equitable event possible, and not to favor the drivers having the opportunity to event very regularly, the SWS annual classification is based on the best results of the season, by category:

- *SPRINT CUP: the sum of the 12 best results of the driver*

**In the event of a draw in a ranking, the winners are divided between the number of victories, then the number of second places, and so on until there is no longer a draw.*

SODI INTERNATIONAL FINALS

1. Principle of the SWS INTERNATIONAL FINALS

As part of the SWS whole concept, SODIKART / 3MK Events plans the organization of a SWS International Finals once a year with a chosen Private Track around the world.

The SWS INTERNATIONAL FINALS 2025 will bring together the best drivers (JUNIOR CUP, SPRINT CUP) and the best teams (ENDURANCE CUP) of the SWS ranking as it will be on December 31st 2024; according to a qualification process defined hereinafter.

2. SWS INTERNATIONAL FINALS: participation fees

For drivers and teams qualified to the SWS International FINALS, a participation fee will be required. This fee allows the promoter SODIKART / 3MK Events to cover the expenses involved by such an event.

The participation fee is communicated to the drivers when the qualification is announced. These costs may vary according to different parameters such as: host track of the event, driving time, gokart model used for the event, closing ceremony, etc. For Malaysia ONLY the Participation Fees will be paid for the Champion by Amprex Circuit Sdn Bhd.

3. Qualification to the SWS INTERNATIONAL FINALS

For the SWS International & National ranking, the ranking is fixed on December 31st 2024 at midnight (French time). The qualification process to the SWS INTERNATIONAL FINALS is detailed in Appendix 2 of this SWS Regulation.

ANNEXE 1 - Ranking system & points scoring

SPRINT CUP scoring system

Event with 6 to 20 drivers :

- The winner will score 1.000 points + the number of participants (meaning 1.006 to 1.020 pts maximum)
- The last driver will score 0 points + the number of participants (meaning 6 to 20 pts maximum)

Above 20 participants

A system with scales will define the number of points scored by the winner and the last driver for each event:

- Scale 1 - from 21 to 30 drivers :
 - o 1.021 points (1.020pts + 1pt bonus) for the winner
 - o 21 points (20pts + 1pt bonus) for the last participant

- Scale 2 - 31 drivers or more :

- o 1.022 points (1.020pts + 2pts bonus) for the winner
- o 22 points (20pts + 2pts bonus) for the last participant

Depending on the number of participants, a logarithmic formula will then automatically distribute the points between the 1st and the last position of the event ranking.

**THE CHAMPION OF THE SERIES WILL BE AWARDED A RACE ENTRY TICKET TO THE
SWS INTERNATIONAL FINALS 2025 TO REPRESENT MALAYSIA AS A NATIONAL CHAMPION**

ANNEXE 2 - SODI INTERNATIONAL FINALS: qualification process

1. Preamble

The SWS FINALS is the most prestigious leisure karting event in the world. The details of the event are the subject of specific communications that can be found via the SWS website, on the page dedicated to the SWS FINALS. The category that Morac Go Kart Track 1 Utama will be focusing on - The winner of the SWS FINALS in SPRINT CUP SWS category

The process of qualification is thus established in order to best represent the international context of the SWS championship. The qualification for SWS FINALS is based on the SWS annual rankings, frozen on December 31st of the previous year (December 31st 2024 for the 2024 ranking which will define the National qualified driver for the 2024 SWS INTERNATIONAL FINALS). According to the 10 days to upload the results, the ranking will be published mid-January 2024.

2. Conditions of participation

To qualify for the SWS INTERNATIONAL FINALS 2025, a SWS driver must have taken part to at least 4 valid SWS events on their home track during the SWS Sprint Cup 2024 Malaysia season. In the case of non-participation of a qualified SWS driver to the SWS INTERNATIONAL FINALS, the place will then automatically be given to the next driver in the ranking. The promoter of the SWS reserves the right to refuse the registration of any driver, without having to indicate the reasons.

3. Specificity of the national rankings

A national ranking exists for a given category as soon as a minimum of 3 events of this category are organized in the country during the whole SWS season. Each driver is included in the national ranking corresponding to the country of his home track, and not of his own nationality.
