

Introduction Concept

The Sodi World Series (SWS) is an international ranking of the top Sodi rental kart drivers in the world, with the final championship races held usually in Europe the following May. MORAC Go-Kart @ 1 Utama (Bandar Utama) is a partner track in the SWS Sprint CUP and SWS Endurance CUP.

How does it work?

Interested participants must sign-up as an SWS driver at sodiwseries.com and select the appropriate partner track (in Malaysia: MORAC Go-Kart @ 1 Utama). For the rest of this year 2022, we will offer SWS Sprint and Endurance races in which registered drivers will earn SWS points in their respective category.

To participate in a SWS race, drivers must register with MORAC Go-Kart @ 1 Utama for the race, then sign-up as a participant for that particular race on the SWS website (sodiwseries.com). Total points awarded for a particular race are based on the total number of SWS participants in that race, so even if you don't care to participate, signing-up with help your fellow drivers earn points. Local, national, and worldwide SWS rankings will be based on each driver's top ten scores for the year.
